

River Islands 5th Annual Community Yard Sale (September 19, 2026)

Below is the list of neighborhoods and street addresses that have registered. You may find other locations that did not register in time (BONUS!). The attached map is for neighborhood locations only and main access points. (If all the streets were included the print would have been too small.) We hope you find that something you have always wanted or a hidden treasure! Either way, ENJOY!
